DEBILITY.

Every one at times feels the necessity of something to tone up the system depressed by mental or bodily exhaustion.

PERUVIAN SYRUP.

Or Protected Solution of the Protoxide of Iron, which vitalizes and enriches the blood by supplying it with its Life Element, Iodine.

Being free from Alcohol in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor and new life into all parts of the system, and building up an IRON CONSTITUTION.

Wm. C. STERLING, Esq., of Poughkeepsie, N. Y., says:

"Since taking the Peruvian Syrup I feel better, my strength is improved, my bowels are regular, my appetite first-rate."

"There is an old Physician in this city (older than I am), who has been in the Drug business for 40 years, who has used the Syrup for three months, and gives it as his decided opinion, that it is the best Alternative Tonic Medicine he ever knew."

For DYSPEPSIA, DIZZINESS, and FEMALE WEAKNESS, the Peruvian Syrup is a specific. A 32 page pamphlet sent free. The genuine has "PERUVIAN SYRUP" blown in the glass.

A MOST SUCCESSFUL AND WONDERFUL INVENTION!

NEW METHOD OF WASHING CLOTHES WITHOUT LABOR.

THE AUTOMATIC CLOTHES WASHER & BOILER. It has been thoroughly tested and pronounced Unequaled as a CLOTHES WASHER by the Thousands who have it in use.

RECOMMENDATIONS: HAMILTON, MONROE CO., PA., May 10, 1868.

Having thoroughly tested the "Automatic Clothes Washer," a new invention, and one of the most successful and wonderful inventions of the day, I am satisfied that, as a clothes washer and boiler, it has not its equal. It is self-acting, and dispenses with most of the labor of washing, and nearly, if not quite, all the wear of clothes so objectionable in old plans. Having fully tested this boiler in my family, I can recommend it as one of the greatest improvements of the kind.

As regards labor-saving, and clothes-saving, there is no invention that can equal it. Instead of washing-day being a dread to housewives, with this machine, this heretofore arduous work of a whole day will be reduced to two or three hours easy work. ABRM. LEVERING.

We, the undersigned, having seen the "Automatic Clothes Washer" thoroughly tested fully concur in the foregoing recommendation of Judge Levering.

WM. N. PETERS, having recently purchased Smith & Triple's stand, at EAST STRONDSBURG,

UNION MOWER & REAPER.

(A combination of different patents.)

IT COMBINES MORE VALUABLE features and will better meet the wants of Farmers than any Machine ever invented. Has been in use for the past seven years, and has proved a perfect success. Can be worked successfully on rough and stony land, and is the most durable machine in use. Has a loose pole and no pressure on the horse's neck. Has an elevating lever for raising the bar. The bar can be retained at any required height without the assistance of the driver, and can be secured fully for transportation. The Cutter-bar, in front of driver, is mounted on wheels which reduces the friction, and by means of which the height of cut can be regulated. The patented draft arrangement prevents side draft, and enables the Cutters to pass in and out of furrows with ease and safety. The Guards are of malleable iron, steel faced; are placed near together on the Bar and form a protection to the Cutters, and are warranted not to break. The Bar and Frame are raised at the same time and obstructions passed, between the wheels, as high as the axle. The working parts and Bar always retain the same relative position; there is, therefore, no unnatural strain or wear on the gearing or knife bar, as is the case in other machines. Every machine is warranted.

SPECIAL NOTICE

TO FARMERS AND ALL PERSONS OWNING HORSES, CATTLE, SHEEP & HOGS: In the spring of the year when a Horse is about shedding his coat nothing will do him better service than a teaspoonful of YOUTATT'S CONDITION POWDER, every morning, well mixed with his feed.

COWS.

In milking cows the subscriber feels confident that YOUTATT'S POWDER, as he now prepares it, will astonish all who use it, and convince the most incredulous to say that by feeding a cow one teaspoonful of YOUTATT'S POWDER once a day will so much increase the quantity and quality of the milk as to yield one pound of Butter per week more is promising much, yet we have the evidence of hundreds to prove this assertion. This increase is made by keeping the cow in a healthy condition with a good appetite.

HOGS and SHEEP will be greatly benefited by using this powder. One of our customers says that he had 16 sheep all of which had the Distemper, and concluded he would try an experiment with YOUTATT'S POWDER—he gave half of the number the Powder, and they recovered in a short time, the rest died.

The genuine YOUTATT'S VEGETATIVE CONDITION POWDER is prepared from Youtatt's original Recipe at Hollinshead's Drug Store. All other is a counterfeit. Try it and be Convinced. W. HOLLINSHEAD. March 12, 1868.
